

SPINDLER CONSTRUCTION CORP.

P.O. BOX 3225

901 SOUTH STATE HIGHWAY 89-91

LOGAN, UTAH 84323-3225

May 31, 2007

To Whom It May Concern:

Shane Demler Masonry is our preferred masonry company. Shane has completed many projects with Spindler Construction for many years including the USU Molecular Laboratory and has worked on other manufacturing facilities throughout Cache Valley. Shane's crews are hardworking, easy to work with, and all about getting the work done.

I would recommend Shane Demler Masonry for any large or small projects you may have.

Sincerely,

Mike Spindler
Vice President
