

# WADMAN CORPORATION

April 3, 2003

**RE: T.J. MAXX LOGAN, UT**

To Whom It May Concern:

We recently completed the T.J. Maxx in Logan, UT. Shane Demler Masonry was one of our subcontractors on that project. He has also worked with us on several other projects. Shane is able to keep up with the schedules and is excellent to work with.

Sincerely,

Brad Amos  
Project Superintendent
